IN THE MATTER OF
DISCIPLINARY PROCEEDINGS AGAINST

PIERRE E. SLIGHTAM, M.D.

Respondent

ORDER GRANTING PETITION

By its Order dated August 19, 1990, in the above-captioned matter, The Medical Examining Board ordered that Dr. Slightam apply for and commence a one year family practice residency program on or before March 1, 1991. On December 21, 1990, the board received a letter from Ronald L. Wallenfang, attorney for Dr. Slightam, enclosing copies of Dr. Slightam's active duty orders for participation in Operation Desert Shield. Mr. Wallenfang's letter requests that the board take appropriate action to stay the running of the time within which Dr. Slightam is required to commence participation in the residency program. The board considered the request at its meeting of January 23, 1991.

Based upon the request, and other information of record herein, the board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that the Order of the board in the above-captioned matter dated August 19, 1990, be, and hereby is, stayed for that period during which Dr. Slightam is serving on active duty with the United States Navy. As a condition of the stay, Dr. Slightam shall notify the Medical Examining Board of his release from active duty within 30 days thereof.

Dated this 12 day of February, 1991.
